Les temps indicatifs de la FLNS doivent être nagés obligatoirement avec chronométrage électronique et être réalisés au 1/100e de seconde.

Les nageurs (ses) ayant réalisé un temps indicatif sont présélectionnés.

Pour une sélection éventuelle, une participation régulière ( 70% au moins ) aux entraînements fédéraux et une progression actuelle de la performance personnelle seraient un atout. Le CA de la FLNS se réserve cependant le droit de décision concernant la sélection définitive d'un (e) nageur (se).
